**Washington, D.C.**

IMMIGRANT NUMBERS FOR MAY 2022

## A. STATUTORY NUMBERS

This bulletin summarizes the availability of immigrant numbers during May for: "Final Action Dates" and "Dates for Filing Applications," indicating when immigrant visa applicants should be notified to assemble and submit required documentation to the National Visa Center.

Unless otherwise indicated on the U.S. Citizenship and Immigration Services (USCIS) website at [www.uscis.gov/visabulletininfo](http://www.uscis.gov/visabulletininfo), individuals seeking to file applications for adjustment of status with USCIS in the Department of Homeland Security must use the "Final Action Dates" charts below for determining when they can file such applications. When USCIS determines that there are more immigrant visas available for the fiscal year than there are known applicants for such visas, USCIS will state on its website that applicants may instead use the "Dates for Filing Visa Applications" charts in this Bulletin.

1. Procedures for determining dates. Consular officers are required to report to the Department of State documentarily qualified applicants for numerically limited visas; USCIS reports applicants for adjustment of status. Allocations in the charts below were made, to the extent possible, in chronological order of reported priority dates, for demand received by April 7<sup>th</sup>. If all reported demand could not be satisfied, the category or foreign state in which demand was excessive was deemed oversubscribed. The final action date for an oversubscribed category is the priority date of the first applicant who could not be reached within the numerical limits. If it becomes necessary during the monthly allocation process to retrogress a final action date, supplemental requests for numbers will be honored only if the priority date falls within the new final action date announced in this bulletin. If at any time an annual limit were reached, it would be necessary to immediately make the preference category "unavailable", and no further requests for numbers would be honored.

2. Section 201 of the Immigration and Nationality Act (INA) sets an annual minimum family-sponsored preference limit of 226,000. The worldwide level for annual employment-based preference immigrants is at least 140,000. Section 202 prescribes that the per-country limit for preference immigrants is set at 7% of the total annual family-sponsored and employment-based preference limits, i.e., 25,620. The dependent area limit is set at 2%, or 7,320.

3. INA Section 203(e) provides that family-sponsored and employment-based preference visas be issued to eligible immigrants in the order in which a petition on behalf of each has been filed. Section 203(d) provides that spouses and children of preference immigrants are entitled to the same status, and the same order of consideration, if accompanying or following to join the principal. The visa prorating provisions of Section 202(e) apply to allocations for a foreign state or dependent area when visa demand exceeds the per-country limit. These provisions apply at present to the following oversubscribed chargeability areas: CHINA-mainland born, EL SALVADOR, GUATEMALA, HONDURAS, INDIA, MEXICO, and PHILIPPINES.

4. Section 203(a) of the INA prescribes preference classes for allotment of Family-sponsored immigrant visas as follows:

**FAMILY-SPONSORED PREFERENCES**

**First:** (F1) Unmarried Sons and Daughters of U.S. Citizens: 23,400 plus any numbers not required for fourth preference.

**Second:** Spouses and Children, and Unmarried Sons and Daughters of Permanent Residents: 114,200, plus the number (if any) by which the worldwide family preference level exceeds 226,000, plus any unused first preference numbers:

A. (F2A) Spouses and Children of Permanent Residents: 77% of the overall second preference limitation, of which 75% are exempt from the per-country limit.

B. (F2B) Unmarried Sons and Daughters (21 years of age or older) of Permanent Residents: 23% of the overall second preference limitation.

**Third:** (F3) Married Sons and Daughters of U.S. Citizens: 23,400, plus any numbers not required by first and second preferences.

**Fourth:** (F4) Brothers and Sisters of Adult U.S. Citizens: 65,000, plus any numbers not required by first three preferences.

**A. FINAL ACTION DATES FOR FAMILY-SPONSORED PREFERENCE CASES**

On the chart below, the listing of a date for any class indicates that the class is oversubscribed (see paragraph 1); "C" means current, i.e., numbers are authorized for issuance to all qualified applicants; and "U" means unauthorized, i.e., numbers are not authorized for issuance. (NOTE: Numbers are authorized for issuance only for applicants whose priority date is **earlier** than the final action date listed below.)

<b><u>Family-Sponsored</u></b>	All Charge-ability Areas Except Those Listed	CHINA-mainland born	INDIA	MEXICO	PHILIPPINES
F1	01DEC14	01DEC14	01DEC14	01JAN00	01MAR12
F2A	C	C	C	C	C
F2B	22SEP15	22SEP15	22SEP15	01JAN01	22OCT11
F3	22NOV08	22NOV08	22NOV08	15SEP97	08JUN02
F4	22MAR07	22MAR07	15SEP05	01JAN00	22AUG02

**B. DATES FOR FILING FAMILY-SPONSORED VISA APPLICATIONS**

The chart below reflects dates for filing visa applications within a timeframe justifying immediate action in the application process. Applicants for immigrant visas who have a priority date earlier than the application date in the chart below may assemble and submit required documents to the Department of State's National Visa Center, following receipt of notification from the National Visa Center containing detailed instructions. The application date for an oversubscribed category is the priority date of the first applicant who cannot submit documentation to the National Visa Center for an immigrant visa. If a category is designated "current," all applicants in the relevant category may file applications, regardless of priority date.

The "C" listing indicates that the category is current, and that applications may be filed regardless of the applicant's priority date. The listing of a date for any category indicates that only applicants with a priority date which is **earlier** than the listed date may file their application.

Visit [www.uscis.gov/visabulletininfo](http://www.uscis.gov/visabulletininfo) for information on whether USCIS has determined that this chart can be used (in lieu of the chart in paragraph 4.A.) this month for filing applications for adjustment of status with USCIS.

<b>Family-Sponsored</b>	<b>All Chargeability Areas Except Those Listed</b>	<b>CHINA-mainland born</b>	<b>INDIA</b>	<b>MEXICO</b>	<b>PHILIPPINES</b>

F4	01OCT07	01OCT07	22FEB06	01MAR01	22APR04

5. Section 203(b) of the INA prescribes preference classes for allotment of Employment-based immigrant visas as follows:

**EMPLOYMENT-BASED PREFERENCES**

**First:** Priority Workers: 28.6% of the worldwide employment-based preference level, plus any numbers not required for fourth and fifth preferences.

**Second:** Members of the Professions Holding Advanced Degrees or Persons of Exceptional Ability: 28.6% of the worldwide employment-based preference level, plus any numbers not required by first preference.

**Third:** Skilled Workers, Professionals, and Other Workers: 28.6% of the worldwide level, plus any numbers not required by first and second preferences, of which not more than 10,000 may be provided to "\*Other Workers".

**Fourth:** Certain Special Immigrants: 7.1% of the worldwide level.

**Fifth:** Employment Creation: 7.1% of the worldwide level, of which 32% are reserved as follows: 20% reserved for qualified immigrants who invest in a rural area; 10% reserved for qualified immigrants who invest in a high unemployment area; and 2% reserved for qualified immigrants who invest in infrastructure projects. The remaining 68% are unreserved and are allotted for all other qualified immigrants.

**A. FINAL ACTION DATES FOR EMPLOYMENT-BASED PREFERENCE CASES**

On the chart below, the listing of a date for any class indicates that the class is oversubscribed (see paragraph 1); "C" means current, i.e., numbers are authorized for issuance to all qualified applicants; and "U" means unauthorized, i.e., numbers are not authorized for issuance. (NOTE: Numbers are authorized for issuance only for applicants whose priority date is **earlier** than the final action date listed below.)

<u>Employment- Based</u>	All Charge- ability Areas Except Those Listed	CHINA-	EL SALVADOR	INDIA	MEXICO	PHILIPPINES

Infra- structure (2%)	C	C	C	C	C	C

\*Employment Third Preference Other Workers Category: Section 203(e) of the Nicaraguan and Central American Relief Act (NACARA) passed by Congress in November 1997, as amended by Section 1(e) of Pub. L. 105-139, provides that once the Employment Third Preference Other Worker (EW) cut-off date has reached the priority date of the latest EW petition approved prior to November 19, 1997, the 10,000 EW numbers available for a fiscal year are to be reduced by up to 5,000 annually beginning in the following fiscal year. This reduction is to be made for as long as necessary to offset adjustments under the NACARA program. Since the EW final action date reached November 19, 1997 during Fiscal Year 2001, the reduction in the EW annual limit to 5,000 began in Fiscal Year 2002. For Fiscal Year 2022 this reduction will be limited to approximately 150.

**B. DATES FOR FILING OF EMPLOYMENT-BASED VISA APPLICATIONS**

The chart below reflects dates for filing visa applications within a timeframe justifying immediate action in the application process. Applicants for immigrant visas who have a priority date earlier than the application date in the chart may assemble and submit required documents to the Department of State’s National Visa Center, following receipt of notification from the National Visa Center containing detailed instructions. The application date for an oversubscribed category is the priority date of the first applicant who cannot submit documentation to the National Visa Center for an immigrant visa. If a category is designated “current,” all applicants in the relevant category may file, regardless of priority date.

The “C” listing indicates that the category is current, and that applications may be filed regardless of the applicant’s priority date. The listing of a date for any category indicates that only applicants with a priority date which is **earlier** than the listed date may file their application.

Visit [www.uscis.gov/visabulletininfo](http://www.uscis.gov/visabulletininfo) for information on whether USCIS has determined that this chart can be used (in lieu of the chart in paragraph 5.A.) this month for filing applications for adjustment of status with USCIS.

5 <sup>th</sup> Set Aside: (Infrastructure – 2%)	C	C	C	C	C	C

B. DIVERSITY IMMIGRANT (DV) CATEGORY FOR THE MONTH OF MAY

Section 203(c) of the INA provides up to 55,000 immigrant visas each fiscal year to permit additional immigration opportunities for persons from countries with low admissions during the previous five years. The NACARA stipulates that beginning with DV-99, and for as long as necessary, up to 5,000 of the 55,000 annually allocated diversity visas will be made available for use under the NACARA program. This will result in reduction of the DV-2022 annual limit to approximately 54,850. DV visas are divided among six geographic regions. No one country can receive more than seven percent of the available diversity visas in any one year.

For May, immigrant numbers in the DV category are available to qualified DV-2022 applicants chargeable to all regions/eligible countries as follows. When an allocation cut-off number is shown, visas are available only for applicants with DV regional lottery rank numbers BELOW the specified allocation cut-off number:

Region	All DV Chargeability Areas Except Those Listed Separately			
AFRICA	63,800	Except:	Egypt	13,000
ASIA	30,000	Except:	Iran	8,500
			Nepal	4,800
EUROPE	27,000			
NORTH AMERICA (BAHAMAS)	10			
OCEANIA	1,200			
SOUTH AMERICA, and the CARIBBEAN	1,300			

Entitlement to immigrant status in the DV category lasts only through the end of the fiscal (visa) year for which the applicant is selected in the lottery. The year of entitlement for all applicants registered for the DV-2022 program ends as of September 30, 2022. DV visas may not be issued to DV-2022 applicants after that date. Similarly, spouses and children accompanying or following to join DV-2022 principals are only entitled to derivative DV status until September 30, 2022. DV visa availability through the very end of FY-2022 cannot be taken for granted. Numbers could be exhausted prior to September 30.

C. THE DIVERSITY (DV) IMMIGRANT CATEGORY RANK CUT-OFFS WHICH WILL APPLY IN JUNE

For June, immigrant numbers in the DV category are available to qualified DV-2022 applicants chargeable to all regions/eligible countries as follows. When an allocation cut-off number is shown, visas are available only for applicants with DV regional lottery rank numbers BELOW the specified allocation cut-off number:

Region	All DV Chargeability Areas Except Those Listed Separately	
AFRICA	Current	Except: Egypt 13,000
ASIA	Current	Except: Nepal 5,700
EUROPE	Current	
NORTH AMERICA (BAHAMAS)	10	
OCEANIA	Current	
SOUTH AMERICA, and the CARIBBEAN	Current	

D. REAUTHORIZATION OF THE EMPLOYMENT-BASED FIFTH PREFERENCE I5 AND R5 REGIONAL CENTER VISA CATEGORIES

The Consolidated Appropriations Act, 2022, which reauthorizes and reforms the EB-5 Immigrant Investor Regional Center Program, was enacted on March 15, 2022. The Department of State has resumed processing visa applications based on approved Employment-Based Fifth Preference Regional Center petitions that were filed with USCIS on or before June 30, 2021.

Chart A for Final Action Dates for Employment-Based Preference Categories and Chart B Dates for Filing of Employment-Based Visa Applications were revised to reflect some of the new provisions outlined in the EB-5 Reform and Integrity Act of 2022, mainly the creation of two pools of visa numbers within the EB-5 category. One pool of numbers is 'reserved' for certain set-aside categories while the remaining available numbers remain 'unreserved'.

Chart A for Final Action Dates for Employment-Based Preference Categories reflect final action dates for May that are effective immediately for the month of April. The Employment-Based Fifth Preference Unreserved (C5, T5, and all others) is Current for all countries; the Employment-Based Fifth Preference Unreserved (I5 and R5) categories are Current for all countries except China-mainland born, which is subject to a 22NOV15 final action date; and all set-aside categories are Current for all countries. It may become necessary to establish a China-mainland born final action date and application filing date for the C5 and T5 categories as early as June to keep number use within the maximum allowed under the FY-2022 annual limits if sufficient demand materializes.

E. EXTENSION OF EMPLOYMENT FOURTH CERTAIN RELIGIOUS WORKERS (SR) CATEGORY

The Consolidated Appropriations Act, 2022, enacted on March 15, 2022, also extended the Employment Fourth Preference Certain Religious Workers (SR) category until September 30, 2022. As indicated in item F of the Visa Bulletin which announced the March final action dates, the extension has resulted in the immediate application of the following final action dates for the month of April:

SR: "Current" effective immediately for all countries except El Salvador, Guatemala, and Honduras, which are subject to a May 1, 2017 final action date, and Mexico, which is subject to an April 1, 2020 final action date.

F. AVAILABILITY OF EMPLOYMENT THIRD PREFERENCE "OTHER WORKERS" (EW) NUMBERS

High number use in the Employment Third Preference "Other Workers" (EW) category may necessitate the establishment of a worldwide final action date as early as June to hold number use within the maximum allowed under the Fiscal Year 2022 annual limit. This situation will be continually monitored, and any necessary adjustments will be made accordingly.
