The refused totals reflect applications that remained in a refused status at the end of the reporting period (fiscal year).

Worldwide NIV Workload by Visa Category FY 2021

Visa Category	Issued	Refused	Total Applications
---------------	--------	---------	--------------------

*K1-K4 visas are preprocessed in the immigrant operating system then transmitted to the nonimmigrant operating system once a case has been deemed eligible for visa issuance. The current K1-K4 data reflect processing actions which occurred in both operating systems.
