

MEDICAL EXAMINATION INFORMATION
FOR IMMIGRANT VISA APPLICANTS

Who is Authorized to Perform the Medical Exam

Every applicant for an immigrant visa, regardless of age, is required to undergo a medical examination. The examination must be conducted in accordance with the United States Public Health Service regulations and by a physician approved by the Embassy. **See the back of this sheet for the list of the physicians who are authorized to perform the examinations.** Call and schedule an appointment with the physician of your choice.

Cost

The cost of the examination must be borne by the applicant. As of January 2013 the cost of the medical examination is as follows:

For adults:	ISK 17,000
For children:	ISK 10,000

Note: Please be aware that applicants must also undergo a chest x-ray (adults only) and blood tests, which are not included in the above price. Also be aware that the prices for the examination are subject to change without notice.

What to Bring to Your Medical Appointment

You **must** bring the following to your appointment with the physician:

- Two copies of the medical examination form DS-2053, plus the three accompanying worksheets (DS-3024, DS-3025, and DS-3026)
- Passport
- Vaccination records
- Three (3) signed, passport-sized photographs

Processing Time

Be aware that it takes time to schedule and complete the blood tests, to get the results back and to have them evaluated by the physician. You should allow **at least 10 days** to complete the medical examination process, from start to finish.
