Notice: Colombia high court rules for adoptions by same-sex couples

The Department is seeking information from the [Instituto Colombiano de Bienestar Familiar \(ICBF\)](#), Colombia's Central Adoption Authority, regarding the impact of the Constitutional Court of Colombia's November 4, 2015 decision on adoptions of minor children by same-sex couples. Specifically, the Department is looking to understand how the decision may impact U.S. prospective adoptive parents' eligibility to adopt a child through intercountry adoption.
