#### **USE OF THIS FORM**

This form is completed by the applicant only when specifically requested by a passport agency/center when sufficient evidence of entitlement is needed to process your application for a U.S. passport. The applicant has the option to complete the hardcopy form enclosed with the letter from the passport agency/center or complete a fillable PDF version of the form available from a link as provided in the written request. Please Note: You must print out the form and submit a hardcopy through the mail to the passport agency/center. You may not submit this form electronically. In addition to completing this form, you may be asked to provide further documentary evidence to support your citizenship claim. Documentary evidence should contain your full name, date and/or place of birth, the seal or other certification of the issuing office (if customary), and the signature of the issuing official. For more information on proof of U.S. citizenship, please refer to Instruction pages 1 and 2 of the DS-11, Application for a U.S. Passport, or visit travel.state.gov/citizenship.

#### **IMPORTANT**

- 1. All questions must be answered to the best of your knowledge. The more information you are able to provide, the faster we may be able to process your U.S. passport application. For example, if you are unsure of an exact address, please provide the street, city, and state if you can recall them. The Department of State will consider all the information derived from the form in its entirety.
- Please submit the information and/or documentation requested with this supplemental questionnaire to the requesting passport agency/center.
- 3. If you are unable to provide primary evidence of U.S. citizenship, such as a previously-issued U.S. passport or a certified birth certificate, please submit secondary evidence. For lists of primary and secondary evidence of U.S. citizenship, go to travel.state.gov/citizenship.
- 4. If you don't know the answer to a question, please write "I don't know." If you believe a particular question does not apply to you or your circumstances, please write "Not Applicable" or "N/A." The Department realizes that most information for this questionnaire may be difficult to obtain and will likely come from other sources. The Department will take these factors into account in the passport issuance process.
- 5. If you need more space to respond to a question, please write the rest of your responses on a separate piece of paper.
