(TL:VISA-31; 3-30-90)

### **1984 EXCHANGE-VISITOR SKILLS LIST**

The 1984 Exchange-Visitor Skills List (Public Notice, 49 FR 24194-24242, June 12, 1984) became effective on July 12, 1984. This notice amended Public Notice 356, 37 FR 8099-8117, April 25, 1972, and Public Notice 591, 43 FR 5910-5912, February 10, 1978.

Former exchange visitor participants who entered the United States or who obtained visas prior to July 12, 1984 will continue to be governed by the 1972 list, as amended in 1978 (see 9 FAM 41.62 Exhibit III of this section).

This Exhibit of the 1984 Exchange-Visitor Skills List includes subsequent amendments to that list (in italics).

### **UNITED STATES INFORMATION AGENCY Amendment to Exchange-Visitor Skills List**

#### **SUMMARY:**

Pursuant to the provisions of section 212(e) of the Immigration and Nationality Act, as amended (8 U.S.C. 1182(e)), and 22 CFR 41.65(b), the Secretary of State designated on April 25, 1972, and revised on February 10, 1978, a list of fields of specialized knowledge or skills (referred to as the Exchange-Visitor Skills List) and those countries which clearly required the services of persons engaged in one or more of such fields. Any alien who was a national or resident of one of those countries and obtained an exchange-visitor visa and/or became a participant in an Exchange-Visitor Program involving a designated field of specialized knowledge or skill after the effective date of those public notices was subject to the 2-year foreign residence (home-country physical presence) requirement of section 212(e) of said Immigration and Nationality Act as provided by said section and 22 CFR 41.65(b).

Pursuant to the provisions of Reorganization Plan No. 2 of 1977, section 217 of the United States Information Agency Authorization Act of August 24, 1982 (Pub. L. 97-241) and Executive Orders Nos. 12038 of March 27, 1978 and 12388 of October 14, 1982, the Director, United States Information Agency, hereby further revises the 1972 Exchange-Visitor Skills List, as revised in 1978.

The list which follows reflects an increase in the number of groups of designated fields of specialized knowledge or skills, as well as the deletion of Cambodia, Iran and Vietnam, and should be examined carefully and used in conjunction with the two prior existing lists. An extensive listing applicable to exchange visitors from the People's Republic of China, has been added to the list. There is a skills list for Afghanistan but the application of that list is suspended indefinitely.

**DATES:**

In order to provide time for the dissemination of this list to Foreign Service posts abroad and to interested persons and organizations in the United States, the designations indicated below shall become effective thirty (30) days after publication in the Federal Register. Exchange visitors who entered the country prior to said effective date shall continue to be governed by the 1972 list, as amended in 1978. With regard to exchange visitors from Cambodia, Iran and Vietnam, this notice shall be retroactive, and exchange visitors from these countries who were formerly subject to the residence requirements pursuant to the skills list shall be so no longer.

**PEOPLE'S REPUBLIC OF CHINA**

The country skills list for the People's Republic of China is not applicable to exchange visitors from Taiwan. There is no skills list for Taiwan. (Public Notice, 51 FR 34701, September 30, 1986.)

The Exchange-Visitor Skills List was amended by Public Notice, 53 FR 50619, December 16, 1988 to reflect changes in the country skills list for the People's Republic of China to include additional fields.

This amendment became effective January 17, 1989. The country skills list for the People's Republic of China was modified to read:

Group (1) of the skills list for the Peoples Republic of China was amended by Public Notice, 52 FR 3744-3745, February 5, 1987 to add two public administration fields:

1A. Public Administration

1B. Public Social Administration

Both 1A. and 1B. were inadvertently omitted from the 1984 country skills list for the People's Republic of China. Exchange visitors from the People's Republic of China who specialize in these fields became subject to the home residence requirement pursuant to the skills list effective March 7, 1987.

Group (4) of the skills list for the People's Republic of China was amended by Public Notice, 51 FR 34701, September 30, 1986 to show:

4G. Electrical Engineering

4H. Electronic Engineering

These corrections were retroactive to July 12, 1984.

**SOUTH AFRICA**

South Africa was deleted from the Exchange-Visitor Skills List by Public Notice, 51 FR 34701, September 30, 1986. Since South Africa was erroneously placed on the list in 1984, the change took effect retroactively. Those exchange visitors from that country who entered the United States after July 12, 1984, are not subject to the residence requirement pursuant to the skills list.
