VISA BULLETIN

Number 1 Volume XI

Washington, D.C.

IMMIGRANT NUMBERS FOR APRIL 2025

A. STATUTORY NUMBERS FOR PREFERENCE IMMIGRANT VISAS

This bulletin summarizes the availability of immigrant numbers during April for "Final Action Dates" and "Dates for Filing Applications," indicating when immigrant visa applicants should be notified to assemble and submit required documentation to the National Visa Center.

Unless otherwise indicated on the U.S. Citizenship and Immigration Services (USCIS) website at www.uscis.gov/visabulletininfo, individuals seeking to file applications for adjustment of status with USCIS must use the "Final Action Dates" charts below for determining when they can file such applications. When USCIS determines that there are more immigrant visas available for the fiscal year than there are known applicants for such visas, USCIS will state on its website that applicants may instead use the "Dates for Filing Visa Applications" charts in this Bulletin.

1. Procedures for determining dates. Consular officers are required to report to the Department of State documentarily qualified applicants for numerically limited visas; USCIS reports applicants for adjustment of status. Allocations in the charts below were made, to the extent possible, in chronological order of reported priority dates, for demand received by March 3rd. If all reported demand could not be satisfied, the category or foreign state in which demand was excessive was deemed oversubscribed. The final action date for an oversubscribed category is the priority date of the first applicant who could not be reached within the numerical limits. If it becomes necessary during the monthly allocation process to retrogress a final action date, supplemental requests for numbers will be honored only if the priority date falls within the new final action date announced in this bulletin. If at any time an annual limit were reached, it would be necessary to immediately make the preference category "unavailable", and no further requests for numbers would be honored.

2. The fiscal year 2025 limit for family-sponsored preference immigrants determined in accordance with Section 201 of the Immigration and Nationality Act (INA) is 226,000. The worldwide level for annual employment-based preference immigrants is at least 140,000. Section 202 prescribes that the per-country limit for preference immigrants is set at 7% of the total annual family-sponsored and employment-based preference limits, i.e., 25,620. The dependent area limit is set at 2%, or 7,320.

3. INA Section 203(e) provides that family-sponsored and employment-based preference visas be issued to eligible immigrants in the order in which a petition on behalf of each has been filed. Section 203(d) provides that spouses and children of preference immigrants are entitled to the same status, and the same order of consideration, if accompanying or following to join the principal. The visa prorating provisions of Section 202(e) apply to allocations for a foreign state or dependent area when visa issuances will exceed the per-country limit. These provisions apply at present to the following oversubscribed chargeability areas: CHINA-mainland born, INDIA, MEXICO, and PHILIPPINES.

4. Section 203(a) of the INA prescribes preference classes for allotment of Family-sponsored immigrant visas as follows:

FAMILY-SPONSORED PREFERENCES

First: (F1) Unmarried Sons and Daughters of U.S. Citizens: 23,400 plus any numbers not required for fourth preference.

Second: Spouses and Children, and Unmarried Sons and Daughters of Permanent Residents: 114,200, plus the number (if any) by which the worldwide family preference level exceeds 226,000, plus any unused first preference numbers:

A. (F2A) Spouses and Children of Permanent Residents: 77% of the overall second preference limitation, of which 75% are exempt from the per-country limit.

B. (F2B) Unmarried Sons and Daughters (21 years of age or older) of Permanent Residents: 23% of the overall second preference limitation.

Third: (F3) Married Sons and Daughters of U.S. Citizens: 23,400, plus any numbers not required by first and second preferences.

Fourth: (F4) Brothers and Sisters of Adult U.S. Citizens: 65,000, plus any numbers not required by first three preferences.

A. FINAL ACTION DATES FOR FAMILY-SPONSORED PREFERENCE CASES

On the chart below, the listing of a date for any class indicates that the class is oversubscribed (see paragraph 1); "C" means current, i.e., numbers are authorized for issuance to all qualified applicants; and "U" means unauthorized, i.e., numbers are not authorized for issuance. (NOTE: Numbers are authorized for issuance only for applicants whose priority date is **earlier** than the final action date listed below.)

<u>Family-Sponsored</u>	All Charge-ability Areas Except Those Listed	CHINA-mainland born	INDIA	MEXICO	PHILIPPINES
F1	15MAR16	15MAR16	15MAR16	01JAN05	15JUL12
F2A	01JAN22	01JAN22	01JAN22	15MAY21	01JAN22
F2B	22JUL16	22JUL16	22JUL16	01JAN06	22JAN12
F3	01APR11	01APR11	01APR11	15JAN01	22MAR03
F4	01AUG07	01AUG07	15JUN06	15MAR01	01JAN05

For April, F2A numbers EXEMPT from per-country limit are authorized for issuance to applicants from all countries with priority dates earlier than 15MAY21. F2A numbers SUBJECT to per-country limit are authorized for issuance to applicants chargeable to all countries EXCEPT MEXICO, with priority dates beginning 15MAY21 and earlier than 01JAN22. All F2A numbers provided for MEXICO are exempt from the per-country limit.

B. DATES FOR FILING FAMILY-SPONSORED VISA APPLICATIONS

The chart below reflects dates for filing visa applications within a timeframe justifying immediate action in the application process. Applicants for immigrant visas who have a priority date earlier than the application date in the chart below may assemble and submit required documents to the Department of State's National Visa Center, following receipt of notification from the National Visa Center containing detailed instructions. The application date for an oversubscribed category is the priority date of the first applicant who cannot submit documentation to the National Visa Center for an immigrant visa. If a category is designated "current," all applicants in the relevant category may file applications, regardless of priority date.

A "C" listing indicates that the category is current, and that applications may be filed regardless of the applicant's priority date. The listing of a date for any category indicates that only applicants with a priority date which is **earlier** than the listed date may file their application.

Visit www.uscis.gov/visabulletininfo for information on whether USCIS has determined that this chart can be used (in lieu of the chart in paragraph 4.A.) this month for filing applications for adjustment of status with USCIS.

Family-Sponsored	All Chargeability Areas Except Those Listed	CHINA-mainland born	INDIA	MEXICO	PHILIPPINES
F1	01SEP17	01SEP17	01SEP17	01APR06	22APR15
F2A	15OCT24	15OCT24	15OCT24	15OCT24	15OCT24
F2B	01JAN17	01JAN17	01JAN17	01APR07	01OCT13
F3	22JUL12	22JUL12	22JUL12	15JUN01	22SEP04
F4	01APR08	01APR08	01OCT06	30APR01	01JAN08

5. Section 203(b) of the INA prescribes preference classes for allotment of Employment-based immigrant visas as follows:

EMPLOYMENT-BASED PREFERENCES

First: Priority Workers: 28.6% of the worldwide employment-based preference level, plus any numbers not required for fourth and fifth preferences.

Second: Members of the Professions Holding Advanced Degrees or Persons of Exceptional Ability: 28.6% of the worldwide employment-based preference level, plus any numbers not required by first preference.

Third: Skilled Workers, Professionals, and Other Workers: 28.6% of the worldwide level, plus any numbers not required by first and second preferences, of which not more than 10,000 may be provided to "*Other Workers".

Fourth: Certain Special Immigrants: 7.1% of the worldwide level.

Fifth: Employment Creation: 7.1% of the worldwide level, of which 32% are reserved as follows: 20% reserved for qualified immigrants who invest in a rural area; 10% reserved for qualified immigrants who invest in a high unemployment area; and 2% reserved for qualified immigrants who invest in infrastructure projects. The remaining 68% are unreserved and are allotted for all other qualified immigrants.

A. FINAL ACTION DATES FOR EMPLOYMENT-BASED PREFERENCE CASES

On the chart below, the listing of a date for any class indicates that the class is oversubscribed (see paragraph 1); "C" means current, i.e., numbers are authorized for issuance to all qualified applicants; and "U" means unauthorized, i.e., numbers are not authorized for issuance. (NOTE: Numbers are authorized for issuance only for applicants whose priority date is **earlier** than the final action date listed below.)

Infra- structure (2%) (including RI)	C	C	C	C	C

*Employment Third Preference Other Workers Category: Section 203(e) of the Nicaraguan and Central American Relief Act (NACARA) passed by Congress in November 1997, as amended by Section 1(e) of Pub. L. 105-139, provides that once the Employment Third Preference Other Worker (EW) cut-off date has reached the priority date of the latest EW petition approved prior to November 19, 1997, the 10,000 EW numbers available for a fiscal year are to be reduced by up to 5,000 annually beginning in the following fiscal year. This reduction is to be made for as long as necessary to offset adjustments under the NACARA program. Since the EW final action date reached November 19, 1997 during Fiscal Year 2001, the reduction in the EW annual limit to 5,000 began in Fiscal Year 2002. For Fiscal Year 2025 this reduction will be limited to approximately 150.

B. DATES FOR FILING OF EMPLOYMENT-BASED VISA APPLICATIONS

The chart below reflects dates for filing visa applications within a timeframe justifying immediate action in the application process. Applicants for immigrant visas who have a priority date earlier than the application date in the chart may assemble and submit required documents to the Department of State’s National Visa Center, following receipt of notification from the National Visa Center containing detailed instructions. The application date for an oversubscribed category is the priority date of the first applicant who cannot submit documentation to the National Visa Center for an immigrant visa. If a category is designated “current,” all applicants in the relevant category may file, regardless of priority date.

The “C” listing indicates that the category is current, and that applications may be filed regardless of the applicant’s priority date. The listing of a date for any category indicates that only applicants with a priority date which is **earlier** than the listed date may file their application.

Visit www.uscis.gov/visabulletininfo for information on whether USCIS has determined that this chart can be used (in lieu of the chart in paragraph 5.A.) this month for filing applications for adjustment of status with USCIS.

5 th Set Aside: (Infrastructure: RI – 2%)	C	C	C	C	C

B. DIVERSITY IMMIGRANT (DV) CATEGORY FOR THE MONTH OF APRIL

Section 203(c) of the INA provides up to 55,000 immigrant visas each fiscal year to permit additional immigration opportunities for persons from countries with low admissions during the previous five years. The NACARA stipulates that beginning with DV-99, and for as long as necessary, up to 5,000 of the 55,000 annually allocated diversity visas will be made available for use under the NACARA program. Visa numbers made available to NACARA applicants in FY 2024 will result in reduction of the DV-2025 annual limit to approximately 54,850. Section 5104 of the National Defense Authorization Act (NDAA) for Fiscal Year 2024 amended the NACARA's provisions on the DV program such that the number of visas made available under the NDAA each fiscal year will be deducted from the 55,000 DVs annually allocated. These amendments will further reduce the DV-2025 annual limit to approximately 52,000. DVs are divided among six geographic regions. No one country can receive more than seven percent of the available diversity visas in any one year.

For April, immigrant numbers in the DV category are available to qualified DV-2025 applicants chargeable to all regions/eligible countries as follows. When an allocation cut-off number is shown, visas are available only for applicants with DV regional lottery rank numbers BELOW the specified allocation cut-off number:

Region	All DV Chargeability Areas Except Those Listed Separately		
AFRICA	30,000	Except: Algeria	29,950
		Egypt	27,950
		Morocco	27,950
ASIA	6,000	Except: Iran	5,950
		Nepal	5,950
EUROPE	16,000	Except: Russia	15,950
		Uzbekistan	7,750
NORTH AMERICA (BAHAMAS)	20		
OCEANIA	1,500		
SOUTH AMERICA, and the CARIBBEAN	2,200		

Entitlement to immigrant status in the DV category lasts only through the end of the fiscal (visa) year for which the applicant is selected in the lottery. The year of entitlement for all applicants registered for the DV-2025 program ends as of September 30, 2025. DVs may not be issued to DV-2025 applicants after that date. Similarly, spouses and children accompanying or following to join DV-2025 principals are only entitled to derivative DV status until September 30, 2025. DV availability through the end of FY-2025 cannot be taken for granted. Numbers could be exhausted prior to September 30.

C. DIVERSITY (DV) IMMIGRANT CATEGORY RANK CUT-OFFS WHICH WILL APPLY IN MAY

For May, immigrant numbers in the DV category are available to qualified DV-2025 applicants chargeable to all regions/eligible countries as follows. When an allocation cut-off number is shown, visas are available only for applicants with DV regional lottery rank numbers BELOW the specified allocation cut-off number:

Region	All DV Chargeability Areas Except Those Listed Separately		
AFRICA	35,000	Except: Algeria	34,500
		Egypt	32,500
		Morocco	30,000
ASIA	6,500	Except: Iran	6,450
		Nepal	6,450
EUROPE	16,000	Except: Russia	15,950
		Uzbekistan	9,000
NORTH AMERICA (BAHAMAS)	20		
OCEANIA	1,550		
SOUTH AMERICA, and the CARIBBEAN	2,250		

D. ANNUAL LIMIT REACHED IN THE EMPLOYMENT-BASED FOURTH PREFERENCE (EB-4) CATEGORY

The State Department, working in close collaboration with U.S. Citizenship and Immigration Services, has issued all available immigrant visas in the Employment-Based Fourth Preference (EB-4) category, which includes visas made available to certain religious workers under the SR visa category, for fiscal year (FY) 2025 and the category was made unavailable on February 28, 2025. Since all available EB-4 visas for FY 2025 have been used, embassies and consulates may not issue visas in these categories for the remainder of the fiscal year. The annual limits will reset with the start of the new fiscal year (FY 2026) on October 1, 2025. At that point, embassies and consulates may resume issuing immigrant visas in this category to qualified applicants.

E. RETROGRESSION OF EMPLOYMENT-BASED FIFTH PREFERENCE (EB-5) UNRESERVED FINAL ACTION DATES FOR CHINA AND INDIA

Increased demand and number use by applicants chargeable to China and India in the EB-5 unreserved visa categories, combined with increased demand and number use across other countries, made it necessary to retrogress the final action dates to hold number use within the maximum allowed under the FY-2025 annual limits. Please note that it may also become necessary to establish a final action date for applicants chargeable to all other countries if demand and number use continues to increase such that this category becomes oversubscribed. This situation will be continually monitored, and any necessary adjustments will be made accordingly.

F. U.S. GOVERNMENT EMPLOYEE SPECIAL IMMIGRANT VISAS (SIVs)

The National Defense Authorization Act (NDAA) for Fiscal Year 2024, signed into law on December 22, 2023, may affect certain current and former employees of the U.S. Government abroad, as well as certain surviving spouses and children of deceased employees of the U.S. government abroad, applying for SIVs or adjustment of status, as described in section 101(a)(27)(D) of the INA. This does not affect certain Iraqis and Afghans applying for SQ and SI SIVs. Applicants should contact the consular section at which they filed their Form DS-1884 for further information on the impact of that law on their case.
