YOUR MEDICAL EXAMINATION

1. SCHEDULING YOUR APPOINTMENT

You must schedule your medical examination at least 10 days prior to the date of your visa interview. The date of your visa interview appears on your appointment letter. Failure to complete your medical examination by the 10 days prior to your visa interview may result in delays with your visa application, so you should be sure to make arrangements to take your exam at the earliest opportunity.

Below is the location of the medical facility authorized to perform examinations for immigrant visas.

Andrews Memorial Hospital
27 Hope Road
Kingston 10
(876) 926-7401-3

You must call ahead to schedule a specific appointment time.

2. WHAT TO BRING TO THE MEDICAL EXAMINATION

- Completed medical history form (on reverse)
- Any relevant medical reports
- Exam and vaccination fees
- Any immunization records showing prior vaccinations
- All medication containers and/or most recent prescriptions
- Your appointment letter
- Passport
- Four (4) passport size pictures
- Reading glasses (if used)
- Parent/guardian (for minor applicants)

***Please remove all necklaces and neck chains prior to the exam.

3. IMMUNIZATION

U.S. immigration law requires that all applicants be vaccinated for the following diseases:

Mumps, measles, rubella, polio, tetanus, diphtheria, pertussis, influenza type B, hepatitis B, varicella (chicken pox), pneumococcal, and influenza.

Depending upon your age, you may not need all of these vaccinations. Please present your immunization records to the physician at the time of the examination for the physician to determine which immunizations you may need. You may receive any needed vaccinations at the time of your examination. Please note that immunization fees are not included in the cost of your examination. Please be prepared to pay for any additional vaccines that you may require.
