MEDICAL EXAMINATION INFORMATION FOR IMMIGRANT VISA APPLICANTS

WHO IS AUTHORIZED TO PERFORM THE MEDICAL EXAM

Every applicant for an immigrant visa, regardless of age, is required to undergo a medical examination. The examination must be conducted in accordance with the United States Public Health Service regulations and by a physician approved by the Embassy. **See below for the list of the physicians who are authorized to perform the examinations.** Call and schedule an appointment with the physician of your choice.

COST

The cost of the examination must be borne by the applicant. As of December 2015 the cost of the medical examination is as follows

For adults:	ISK 22.000
For children:	ISK 12.000

Note: Please be aware that applicants must also undergo a chest x-ray (adults only) and blood tests, which are not included in the above price. Also be aware that the prices for the examination are subject to change without notice.

WHAT TO BRING TO YOUR MEDICAL APPOINTMENT

You **must** bring the following to your appointment with the physician:

- Passport
- Vaccination records
- Three (3) signed, passport-sized photographs

PROCESSING TIME

Be aware that it takes time to schedule and complete the blood tests, to get results back and to have them evaluated by the physician. You should allow **at least 14 days** to complete the medical examination process, from start to finish.

Please also make sure that you do not book the appointment earlier than 3 months before your scheduled immigrant visa interview with the Embassy.
