### INFORMATION ABOUT MEDICAL EXAMINATION FOR IMMIGRANT VISA APPLICANTS

All immigrant visa applicants have to undergo a standard medical examination at the assigned clinic. The U.S. Embassy's panel physician is the Tashkent International Medical Clinic (TIMC), located at #38, Sarikuls kaya Str., Tashkent, Uzbekistan (map to the clinic is attached).

To schedule an appointment for your medical examination you need to contact the clinic at least 2 weeks prior to your immigrant visa interview date, which is indicated on your appointment letter. Contact the Tashkent International Medical Clinic at +998 71 291 0142 or 291 0726 for an appointment as soon as you receive these instructions.

#### What to bring to the medical examination:

- your immigrant visa interview appointment letter;
- your valid passport;
- for children under 16 you are required to obtain a passport for minors under 16 or in the cases where the parent is also immigrating, they can obtain an exit stamp in the travelling parent's passports; this must be issued and stamped by the Department of Entry, Exit and Citizenship of the Ministry of Internal Affairs of Uzbekistan
- one color picture (3X4 cm);
- your vaccination record (not applicable if you are a K visa applicant);
- your medical examination fee (payable in U.S. dollars according to the schedule of fees listed below)

**All medical examinations include:** Physical examination, serologic test for Syphilis (not required for persons under 15 unless suspected), full size chest radiograph (not required for persons under 15 years of age nor for pregnant women, unless such persons are suspected of having tuberculosis), bacteriological examination of Sputum (when required) and Immunization.
