<sup>1</sup> The table above reflects the number of unique applications found ineligible for issuance based on a given ineligibility ground during the listed fiscal year. The total of ineligibility findings does not necessarily reflect the number of applications refused because an application may be found ineligible under more than one ground of ineligibility during a fiscal year.

<sup>2</sup> The ineligibilities overcome may not necessarily represent the same ineligibilities recorded in the total of ineligibility findings. A visa may be refused in one fiscal year and the refusal overcome in a subsequent fiscal year. Each action will be separately recorded as part of the appropriate statistical report for the year in which it occurred. A refusal can be overcome by evidence that the ineligibility does not apply, by approval of a waiver, or by other relief as provided by law.
