<td>156,339</td>
</tr>
</tbody>
</table>

The figures at the end of this table show totals of applications refused and refusals overcome. The total of applications refused does not necessarily reflect the number of persons refused during the year. One applicant can apply and be found ineligible more than one time in a fiscal year.

At some posts with automated visa systems, the data base does not reflect complete nonimmigrant visa refusals overcome statistics. Therefore, the nonimmigrant visa refusals overcome figures may be somewhat understated.
